S I R:

Two charges have been posted to the Deposit Account of the undersigned which relate to the above identified application. Specifically, on February 11, 2005, Deposit Account No. 12-0555 was charged \$60 (Posting Ref Txt 10523527, Fee Code 1633 "national stage examination fee - all other situations") and \$40 (Posting Ref. Txt 10523527, Fee Code 8021 "recording each patent assignment...").

The present application is a national stage application of PCT/EP2003/007299 for which the international searching authority was the European Patent Office. ~  
 Accordingly, as the search fee due upon filing was correctly paid at \$400, it appears that the above charges to the deposit account have been made in error.

It is therefore requested that a \$100 refund be promptly credited to Deposit Account No. 12-0555.

Respectfully submitted,  
 STITES & HARBISON PLLC
